EVERYTHING IS VENDINGABLE

## VENDING DECK

2026

## PT. SEGITIGA DELTA ASIA 2021

It was a year of tension for the Vending Machine companies, which finally brought them together in a joint collaboration.

### PUTRI AQUARIUS

- 2006 -

Installing its first vending machine as an initial step in developing the vending machine industry in Indonesia.

### SADHANA/JATARI VM

- 2009 -

A specialist company in the refrigeration market which then entered the vending machine industry in 2009.

### INOVASI SOLUSI DIGITAL

isdigital.id

- 2017 -

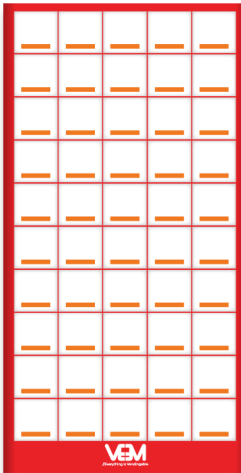

Operating in the field of digital technology, ISD developed a cashless payment system for vending machines owned by Putri Aquarius and Jatari.
